## The Independent NEWSLETTER

### FROM THE PRESIDENT

Hello NAIIA members! I am excited to bring to you the collaboration piece for October 2018. In mid-2018, the compliance officer at Hausch & Co. was doing an internal review of our website. He brought to my attention that we did not have a **Terms of Use and Privacy Policy** on our website. Karen Haltman at CPLIC, RRG has thoroughly researched the topic and has provided a draft Terms of Use and Privacy Policy our members can download. It is my recommendation that everyone considers this as part of their business plan going forward.

*Dave Hausch, 2018-2019 NAIIA President  
President and CEO of Hausch & Company*

## New Licensing Option for Independent Insurance Adjusters

A big thank you to Peter Schifrin (Past CAIA President, President of SGD, and Past RVP Western Region NAIIA) for taking the time and effort to share this news with our members:

The Universal Claims Certification (UCC) program, created by the Claims and Litigation Management Alliance (CLM), has been approved by the following states: Alabama, California, Florida, Georgia, Mississippi, and Texas. The UCC is a new process to obtain an independent adjuster license in any of the approved states. Both licensed adjusters and those without a license can acquire a UCC. The CLM anticipates that registration for the UCC will be open in a few weeks. Click [Learn More](#) to read the full report and you can also find more information at <https://www.theclm.org/UCC>.
